

Centre of Aromatic Plants (CAP):

Department of Pharmaceutical Chemistry and Chemistry organized a visit to Centre of Aromatic Plants, Selaqui, Dehradun (CAP) on 23rd May 2022. Students visited Centre of Excellence for Aromatic Crops, Seed Germination Plant, Essential Oil Extraction Plant and R & D Lab. They learnt different techniques involved in the application of aromatic plants. An official from CAP explained about the aromatic plants and their importance in pharma industry. He also explained the different methods to develop effective compounds from aromatic plants for perfumery and aroma industries through tissue culture technology. A batch of 50 students along with three faculty members Dr. Tripti Malik, Dr. Raju Chandra and Mr. Uday Kumar visited the CAP.
