

**Dolphin PG Institute of Biomedical & Natural Sciences, Manduwala,
Dehradun**

DEPARTMENT OF FORESTRY

**Field Visit to Silviculture Museum and Systematic Botany Division, FRI
Dehradun**

B Sc Forestry 1st & 5th semester students were taken to the FRI, Dehrdaun on 24th November 2022 to fulfill the component of courses Silvicultural Systems & Dendrology. Total 66 students visited along with 3 teachers namely Dr Sas Biswas, Dr Sandhya Goswami & Mr Manish Kumar.

First, students were told about the history of FRI development and about the monumental building. Thereafter, they visited the Silviculture Museum. In FRI-Silvicultural Museum students learnt about various types of forests & their location in India via beautiful light system, different silvicultural systems models, ecosystem services of trees etc. Also, they came to know about their respective states' flower, tree and animal via lively charts.

After completion of visit at museum students were taken to the Systematic Botany Division of Forest Research Institute. They were exposed to one of the largest botanical sample collection center and retrieving of information from that collection. Head of the Systematic Botany division Dr Anup Chandra addressed the students and taught them about the importance of identification of plants, sample collection & herbarium preparation. Students were given hands-on on the herbarium making at Herbarium of Systematic Botany division. Field technicians explained the procedure to prepare herbarium and students prepared herbarium of flowering plants under their guidance.

Visit to FRI, Dehradun
