DEPARTMENT OF FORESTRY

PLANT DISTRIBUTION DRIVE (28th July 2022)

'Environmental conservation is everyone's responsibility'

Department of Forestry Dolphin PG Institute, Dehradun (DIBNS), in association with Civil Defence, Dehradun, organized an on-site event aimed to create awareness towards developing climate-smart forest nurseries for education and environmental conservation. Consequently, to encourage strong environmental care, an event on "Saplings Adoption for Preservation in Safe Haven and Greening Doon Valley" was organized jointly by the Department of Forestry and Rotaract Club, DIBNS, on 28th July 2022 in association with Friends of Doon Society (FODS), Dehradun.

Dr. Satish Agarwal, Chief Warden, Mr Rajeev from Friends of Doon Society, Dr Sas. Biswas of DoF, Dr. Sandhya Goswami, Course Coordinator and Mr. Manish Kumar Class Coordinator, along with 18 students and faculty members of the institute, provided saplings of various forest species to the Civil Defence team for plantation in different environmentally sensitive zones and degraded landscapes of Doon valley, with a hope to create a healthy environment for the future generation. Similar to people are plants. They appear happy and healthy when they receive the proper nourishment.

DEPARTMENT OF FORESTRY

VAN MAHOTSAVA
18 July 2022

Department of Forestry of the Dolphin (PG) Institute, Dehradun, in association with Government High School of Dunga, Dehradun, jointly organized a tree planting event at Institute's premises to commemorate VanMahotsav-2022 on 18th July. Saplings of ornamental-cum-medicinal importance, *Sterculia foetida* or Wild Almond, raised by forestry students, were ceremonially planted in the campus by Chairman of Dolphin PG Institute Shri Arvind Gupta in presence of Principal Dr. Shailja Pant, IQAC Coordinator Dr. Shruti Sharma and faculty, staff & students of Forestry Department. Mr. Narayan Singh, Principal-in-charge of Government High School along with Mr. I.D. Dobhal, teacher, addressed the students and faculty at Intercollege premises. The event witnessed rich deliberations on the importance of forest and tree-planting. Saplings raised by forestry students of B.Sc. 2018-2022 were planted to increase bio-aesthetics and landscaping with trees of Kachnar Amaltas, Jacaranda, Baheda, etc. An inspirational talk on "Wildings Whisper" motivated all participants and informed them how wildings need to be given clear surroundings, eradicating the weeds to grow properly. On the occasion, Dr. Sandhya Goswami of DIBNS presented a Memento to Mr. Narayan Singh.. Students namely Kanika Panwar, M. Jayarama and Shaina Thakur of B.Sc. Forestry talked about the importance of the day and the saplings planted. Faculty from Dolphin Institute namely Dr Sas Biswas, Dr Rashmi Chamoli, Mrs Rashmi Chauhan, Dr Vikaspal Singh, Mr Manish Kumar, Mr Anil Kewat, Mr Prabhakar Manori joined the occasion with students of Forestry and Govt Intercollege Dunga.
