

Ration Kit Distribution to TB Patient

Date: 16-02-2023

Organized by: DSWC

The Students Welfare Council of Dolphin Institute distributed hygiene ration kits to five tuberculosis patients at Sahaspur Government Hospital in Uttarakhand in association with Youth Redcross Unit of the Institute. The initiative was conducted as per the direction of the Ministry of Health and Welfare, Government of Uttarakhand, and aimed to provide essential hygiene items and nutritional support to the patients. Dr. Pradeep Uniyal, the Chief Medical Superintendent of Sahaspur Hospital, District TB Officer, DSW Sh. Vipul Garg, Mr. Rajesh Jha from the MLT Department, and students were present during the program.

The ration kit contained essential items such as millets, pulses, cooking oil, Eggs, Milk powder, soap, hand sanitizer, masks, gloves, and nutritional supplements. Patients were educated on the importance of maintaining good hygiene practices, particularly in their condition.. The six-month distribution period ensures that the patients receive continuous support during their treatment.

The initiative by the Students Welfare Council of Dolphin Institute is commendable. The efforts to support tuberculosis patients during the ongoing pandemic are crucial. The hygiene ration kits will go a long way in ensuring that patients receive adequate support to maintain good health and hygiene practices. The presence of medical professionals and students during the program added value to the initiative.

Overall, the initiative is an excellent example of social responsibility and community support. The distribution of hygiene ration kits will undoubtedly make a positive impact on the health and well-being of the tuberculosis patients.
