

WORLD DISABILITY DAY

Department of Physiotherapy, Dolphin PG Institute of Biomedical and Natural Sciences, Dehradun celebrated **World Disability Day** on 3/12/2022. To make the day memorable, the Department organised curricular & co curricular events. The event was inaugurated by Director, Mr V K Nagpal, Additional Director, Mr Sunil Kaul and Dr Shruti Sharma, IQAC Coordinator.

A slogan competition with the theme, '*Disability and accessibility*' was organised by the Department. 30 students participated in the event. Akshat from BPT 4th year was awarded first prize. Second prize was shared by Aditi from BPT 4th year and Sonam from BPT 3rd year. Third prize was shared by Pooja BPT from 2nd year and Digvijay from BPT 1st year. All the winners were awarded with cash prize. Judges for the event were Dr. Shruti Sharma, IQAC Coordinator, Prof. Versha Percha, Department of Pharmaceutical Chemistry & Chemistry, Dr Beena Joshi Bhatt, HOD, Department of Zoology.

Students of BPT 4th year and MPT 1st year made presentations on various topics related to disability and prevention. Students also presented a skit on, '*Awareness about disability and role of Physiotherapy*'. Various cultural events were also presented by the students of the department.

A special lecture on, 'Role of Physiotherapy in Disability Management' was organised in the post lunch session. Speaker of the event, Dr Surender Dhalwal, HOD, Department of Clinical & Rehabilitation Psychology and Research, NIVH Dehradun enlightened the students about the psychological perspective of patients and the rehab team in Disability Management. Students interacted with Dr Dhalwal and were answered for every query. Dr Deptee Warikoo, HOD of Department presented sapling to the guest. The organisers of the event Dr Keerty Mathur and Dr Ashish Dev Gera along with faculty Dr Diksha Bhatt and Dr Nidhi Rawat thanked the guesst and the management for the event.
