Subject: Faculty Development Programme on “AI: From Foundations to Impact”

This is to inform all faculty members that the Internal Quality Assurance Cell (IQAC) of Dolphin (PG) Institute of Biomedical & Natural Sciences, Dehradun, has initiated a One-Day Faculty Development Programme (FDP) on the theme “AI: From Foundations to Impact.”

The programme is scheduled to be held on 13th March 2026 at 10:00 AM onwards in the Auditorium of the Institute.

The session will be conducted by Mr. Lalit Pant, Founder, DeepSkills, Dehradun, who has extensive experience in AI-driven skill development and technology training. The FDP aims to familiarize faculty members with the fundamental concepts of Artificial Intelligence, emerging AI tools, and their practical applications in teaching, research, innovation, and interdisciplinary academic practices.

Considering the growing relevance of Artificial Intelligence in higher education and future-ready learning environments, all faculty members are advised to attend the programme positively and on time.

Faculty members who have scheduled classes during the programme hours may kindly reschedule their lectures accordingly so that they can actively participate in the session.

Your active participation will contribute significantly to strengthening the academic innovation and technology-enabled teaching culture of the institute.
