DEPARTMENT OF PHYSIOTHERAPY
CIRCULAR

DIBNS/PHY//2026

Date: 09/04/2026

Subject: - Regulation of student visits to physiotherapy OPD

It has been observed that an increasing number of students are visiting the physiotherapy OPD with complaints of minimal clinical significance, primarily during scheduled academic hours.

In order to ensure the effective utilization of clinical services and to maintain discipline, it is hereby informed that only those students who present with a valid referral from their respective head of department (HOD) shall be considered for physiotherapy consultation, management, or counselling.

Students are advised to adhere strictly to this protocol. Any student reporting without a proper referral will not be entertained during academic hours. This measure is being implemented to maintain the integrity of both academic and clinical services.

Dr. Deptee Warikoo

(HOD)
