

DOLPHIN (PG) INSTITUTE OF BIOMEDICAL & NATURAL SCIENCES, DEHRADUN

Consolidated Academic Calendar: Session 2026-27

Regulatory planning note: NEP 2020, the National Credit Framework (NCrF) and the National Higher Education Qualifications Framework (NHEQF) do not prescribe universal semester dates. For common semester-system programmes, this calendar adopts the Institute benchmark of 90 net teaching-learning/CIE days in each semester, while every course must independently satisfy the applicable 15-week credit-hour, practical, field, internship and professional-regulator requirements. The corrected odd-to-even break is 01-Jan-2027 to 13-Jan-2027. To preserve a 14-Jan-2027 even-semester start, 90 net teaching-learning/CIE days, 10 practical-examination working days and a 15-calendar-day theory-examination window, the common summer break begins on 16-Jun-2027, not 01-Jun-2027.

1. Revision Summary and Control Rules

Item	Date(s)	Day(s)	Calendar treatment
Odd semester begins	01-Aug-2026	Saturday	Fixed
Even semester begins	14-Jan-2027	Thursday	Fixed
Second Saturday	Every month	As listed month-wise	Closed
Annual Fest	24-Feb-2027 to 26-Feb-2027	Wednesday to Friday	Full-day institutional activity; 3 days; excluded from net teaching-day count
Diwali Mela	05-Nov-2026	Thursday	Full-day institutional activity before Deepawali break; excluded from net teaching-day count
Deepawali break	06-Nov-2026 to 12-Nov-2026	Friday to Thursday	7 days
Ethnic Day	19-Oct-2026	Monday	After regular classes / approved activity slot; regular contact hours retained
Fresher Party	21-Aug-2026 to 22-Aug-2026	Friday to Saturday	Friday after regular classes and Saturday second half; regular contact hours retained
Farewell Party	30-Apr-2027	Friday	Full-day institutional activity; excluded from net teaching-day count
Holi break	21-Mar-2027 to 23-Mar-2027	Sunday to Tuesday	3 days only
Practical examinations	Odd: 04-Dec-2026 to 16-Dec-2026; Even: 17-May-2027 to 27-May-2027 Annual: 20-May-2027 to 29-May-2027	As listed	Semester system: 20 working days total (10 odd + 10 even) Annual system: 09 working days
Theory examinations	Odd: 17-Dec-2026 to 31-Dec-2026; Even: 01-Jun-2027 to 15-Jun-2027 Annual: 01-Jun-2027 to 15-Jun-2027	As listed	15 calendar days in each semester / annual examination window
Semester / annual breaks	Odd-to-even: 01-Jan-2027 to 13-Jan-2027; Even-to-odd / summer: 16-Jun-2027 to 31-Jul-2027	As listed	Odd break begins 01-Jan; common summer break begins 16-Jun and provides 46 calendar days

Counting rule: A day is included in the net teaching-learning/CIE count only when scheduled lectures, tutorials, laboratories, practicals, curriculum-integrated CIE, or an approved outcome-mapped academic engagement is delivered and the prescribed contact/engagement hours are documented. End-semester practical and theory examinations, Sundays, second Saturdays, notified holidays, breaks and full-day cultural/ceremonial events are excluded. Fresher Party and Ethnic Day shall be held after regular classes or in the permitted Saturday second half. Diwali Mela, the three Annual Fest days and Farewell Party are treated as full-day institutional activities and are excluded from the net teaching-day calculation. Club activities are not counted separately unless they are credit/outcome mapped and assessed; regular first-half teaching on working Saturdays remains mandatory.

2. Semester Structure, Breaks and Examination Windows

Academic block	Date(s)	Day(s)	Remarks
Odd Semester teaching-learning / CIE period	01-Aug-2026 to 03-Dec-2026	Saturday to Thursday	90 net teaching-learning/CIE days after specified exclusions; course-wise contact-hour verification required
Odd semester practical examinations	04-Dec-2026 to 16-Dec-2026	Friday to Wednesday	10 working days; Sundays and second Saturday excluded
Odd semester theory examinations	17-Dec-2026 to 31-Dec-2026	Thursday to Thursday	15-calendar-day end-semester theory-examination window
Odd-to-even semester break	01-Jan-2027 to 13-Jan-2027	Friday to Wednesday	13 calendar days; even semester begins on 14-Jan-2027
Even Semester teaching-learning / CIE period	14-Jan-2027 to 14-May-2027	Thursday to Friday	90 net teaching-learning/CIE days after specified exclusions; course-wise contact-hour verification required
Even semester / annual practical examinations	Even semester: 17-May-2027 to 27-May-2027 Annual system: 20-May-2027 to 29-May-2027	Monday to Thursday Thursday to Saturday	Even semester: 10 working days Annual system: 09 working days

Academic block	Date(s)	Day(s)	Remarks
Examination transition / preparation	28-May-2027 to 31-May-2027	Friday to Monday	Preparation, schedule transition and examination administration; no teaching-day count
Even semester / annual theory examinations	01-Jun-2027 to 15-Jun-2027	Tuesday to Tuesday	15-calendar-day theory-examination window for semester and annual systems
Even-to-odd semester / annual summer internship / summer break	16-Jun-2027 to 31-Jul-2027	Wednesday to Saturday	46 calendar days; professional, clinical, internship or field duties continue where mandated

Calendar constraint: With theory examinations ending on 31-Dec-2026 and the even semester beginning on 14-Jan-2027, the available formal odd-to-even break is 13 calendar days (01-Jan to 13-Jan). A full 14-day break would require either ending theory examinations on 30-Dec-2026 or starting the even semester on 15-Jan-2027. Likewise, a 01-Jun-2027 summer-break start is not compatible with all fixed requirements; the corrected common summer break therefore starts on 16-Jun-2027 and provides 46 calendar days up to 31-Jul-2027. For net teaching-day calculation, the start point of a semester is the first day on which timetable-based teaching/CIE is actually delivered, and the end point is the last such day before the end-semester practical-examination window. The broader academic semester continues through practical and theory examinations, but those examination days are not counted as net teaching-learning/CIE days.

8. Saturday Second-Half Club Activity Slots

All second Saturdays are closed. On other working Saturdays during the teaching sessions, regular timetable-based teaching shall be conducted in the first half and the second half shall be reserved for club activities. A club slot is not independently counted as a teaching day. It may be included as curriculum-integrated academic engagement only where learning outcomes, supervision, attendance, duration, student work and assessment evidence are recorded. Detailed club agendas shall be issued separately by the concerned coordinators; NDLI Club commitments remain listed in Sections 6 and 7.

Date	Day	Time slot	Activity	Status
01-Aug-2026	Saturday	Saturday second half	Club activities	Working-day club slot; first-half regular teaching mandatory; not separately counted

10. Regulatory Basis and Statement of Net Teaching-Learning / CIE Days

Regulatory interpretation: NEP 2020 is a policy framework and does not itself fix a universal number or set of semester dates. NCrF measures learning through credits and notional learning hours; NHEQF and the UGC curriculum-credit framework require a normally 15-16 week academic term and specify course-wise engagement hours. The UGC 2025 UG/PG Regulations permit universities and autonomous colleges to decide timing, curriculum transaction, CIE and assessment through their statutory bodies, while requiring continuous evaluation and outcome-based assessment. For calendar planning, this Institute retains the more conservative 180-day annual benchmark and its own existing norm of 90 teaching-learning/CIE days per semester. Compliance must therefore be demonstrated both by the day count below and by a separate programme/course-wise credit and contact-hour audit.

Framework / regulation	Calendar implication	Institutional application for 2026-27
UGC UG/PG Regulations, 2025	Academic timing, CIE and assessment may be decided by the university/autonomous college through competent statutory bodies, consistently with NHEQF and UGC credit frameworks.	Academic Council approval; continuous evaluation; assessment units and weightages notified at semester commencement.
NHEQF and UGC Curriculum/Credit Framework	Academic term normally 15-16 weeks; minimum 15-week semester. One lecture/tutorial credit generally requires 15 engagement hours; one practicum/field/seminar/internship credit generally requires 30 hours.	Each course must have an approved teaching plan and delivered-hours record; calendar days alone do not establish credit compliance.
National Credit Framework (NCRF)	Normally 20 credits and 600 notional learning hours per semester; credit is awarded only after achievement of defined learning outcomes is assessed.	Workshops, field visits, DU2, Campus Mini Factory, projects and similar activities count only when approved, outcome-mapped, supervised, documented and assessed.
UGC 2018 Teaching-Days benchmark	At least 180 actual teaching days / 30 weeks in a six-day-week pattern; examination and non-instructional co-curricular periods are treated separately.	Plan and document 90 net teaching-learning/CIE days in each common semester.
Dolphin official Academic Calendar 2025-26	Institute precedent: 90 working days for teaching-learning and CIE per semester; six-day week except second Saturdays.	Retained as the institutional calendar benchmark for 2026-27.

Semester	Teaching-learning / CIE period	Calendar days	Sundays	Second Saturdays	Net exclusions: holidays, breaks and full-day institutional events	Net teaching-learning / CIE days
Odd Semester 2026	01-Aug-2026 to 03-Dec-2026	125	18	4	13 (12 notified holidays/break days + 1 Diwali Mela day)	90
Even Semester 2027	14-Jan-2027 to 14-May-2027	121	17	4	10 (6 notified holidays/break days + 3 Annual Fest days + 1 Farewell day)	90
Total	Both common semesters	246	35	8	23	180

Formal statement for the calendar: For common semester-system programmes, the Institute schedules 90 net teaching-learning/CIE days in the Odd Semester and 90 net teaching-learning/CIE days in the Even Semester, making a total of 180 days for Academic Session 2026-27. The odd teaching-learning/CIE period runs from 01-Aug-2026 to 03-Dec-2026 and the even teaching-learning/CIE period runs from 14-Jan-2027 to 14-May-2027. End-semester practical and theory examinations are excluded from this figure. Full-day Diwali Mela, Annual Fest and Farewell activities are also excluded; Fresher Party and Ethnic Day shall not displace the regular timetable. NCrF/NHEQF compliance shall additionally be established programme-wise through the applicable credit, notional-learning-hour, contact-hour, practical, fieldwork, internship, clinical and assessment records. Annual-system and separately regulated professional programmes shall maintain programme-specific annexures and shall not be certified solely through this common semester-day calculation.
